Priceless Pollinators Super Saturday on May 5 at the Illinois State Museum

SPRINGFIELD, IL – Bees and butterflies and birds, oh my! Families are invited to celebrate our “Priceless Pollinators” at the upcoming Super Saturday event at the Illinois State Museum in Springfield on Saturday, May 5 from 11:00 a.m. until 3:00 p.m.

During the event, children can create their own pollinating insect to take home, try to survive the perils of the life-size migration maze, and see a live beehive. Insects and birds from the Museum’s collections will be on display, and live butterfly releases will take place at Noon and 3:00 p.m.

Super Saturdays offer thematic activities recommended for children ages 5 and up each month. Activities take 30-40 minutes to complete and are included with Museum admission. Parents and families are encouraged to participate. Super Saturdays at the Illinois State Museum are sponsored by Bank of Springfield.

For additional information, please contact events@illinoisstatemuseum.org or 217-558-6696.
